3. Your answer needs to include something about either, 1.) the importance of applying the normal rules of literal (or common sense) interpretation to passages/books of the Bible, i.e. taking the entire book of Jonah to be an allegory or fable about the Babylonian captivity is unwarranted because there are no indicators or clues given to us in the book that it is supposed to be interpreted as anything other than a real account of a real prophet; or, 2.) the implications of taking this book is some kind of figurative sense when there are no indicators that this was the intent of the author – to do so would open a “can of worms” because no one could ever know for certain when there are “hidden meanings” and when there are not.
